

C. Edgren AB is part of the Tappex Group. The Group consists of Tappex Thread Inserts Ltd, Pressavon Ltd, C. Edgren AB and Tappex Finland Oy. The Group has its headquarters in Stratford-upon-Avon, UK, and has been providing inserts and fastening solutions since 1956.

Stratford-upon-Avon, January 2nd, 2018

Please be advised that following the retirement of Lars-Olov Pöntynen, effective from the 1st of January 2018, Tom Ranta has been promoted to the position of Managing Director Nordic Operations, currently covering both C. Edgren and Tappex Finland and reporting directly to the Group Chairman. We wish him every success in his new position.

I am sure that you will find this change seamless in any future discussions, as Tom has an in-depth knowledge of the fastener business, understands the needs of the group companies and is backed by the strength of Tappex.
